Dear VNY Film Desk and Film LA,

Thank you for evaluating our request to film. I am with Crosswalk Productions as we are currently filming for season 3 of *Ball In The Family*, a documentary series about Los Angeles Laker Lonzo Ball and his family. We intend to film four cast members flying out of VNY via private jet for a trip to Las Vegas. As we are a documentary-style series, we are able to keep a low footprint at all time without disrupting ongoing airport operations. Please see below for our answers to the following questions:

a. Location of proposed filming on the airport (leasehold location)
    i. Castle & Cooke Aviation: 7415 Hayvenhurst Ave, Van Nuys, CA 91406
b. Number of cast and crew/personnel, clients/invitees
    i. 4 cast members. 14 crew/personnel (5 crew on the flight).
c. Production dates (specify prep, strike and filming)
    i. September 14, 2018. Flight will depart between the hours of 4pm-8pm. 30 min prep, 30 min filming (estimated time for cast to walk and board flight, and take off), 10 min wrap out.
d. Arrival and departure hours of personnel onto and off of airport property (time when first cast/crew/equip arrives and leaves)
    i. The shoot will be quick - cast will land between 4pm-8pm. Crew will arrive 30 min prior to cast arrival to film cast landing and take off. One camera crew will board flight with cast en route to Las Vegas. After takeoff, remaining crew on land will wrap immediately - a ten minute load out time will suffice.
e. Number and type of production vehicles
    i. 5 production vehicles - all are minivans or SUVs
f. Items of equipment to be used, e.g. cranes, scissor lifts, etc.
    i. Two shoulder-mounted cameras, two portable audio bags and handheld boom mics. All gear and equipment for *Ball In The Family* are portable and do not require sticks, tracks or set-up on the ground
g. Lighting requests and means of power and/or power usage requests
    i. None - we will not be lighting and our camera equipment is portable
h. Identification and use of large, disruptive, and/or hazardous props, e.g. weapons, picture vehicles, etc.
